PANORAMA VISION DISPLAY

CLASS	MODEL
19"	C190MA
38"	C380ML
43"	C430ML

Broadcast your branding with Hyundai IT Digital Signage!

Panorama displays are characterized by their special aspect ratio whose height is less than half of its width. This brings the benefit that the panorama displays will fit into places where displays with a regular height can't be installed.

KEY FEATURES

• Special DOOH LCD Panel

• High Luminance & Contrast

• Metal Frame Housing

• Ultra-High Native Resolution

• Wide Viewing Angle

• High Connectivity

• Remote Control (RS232)

FEATURES

Special Out-Of-Home LCD Panel
By using commercial grade LCD panels for Out-Of-Home applications, the HYUNDAI IT Digital Signage display can provide a higher brightness and contrast than standard LCD TV panels. Our LCD panel enables to operate for longer working time, deliver clear and bright image contents in the portrait or landscape format without any loss of quality.
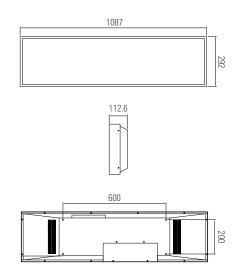

Environmentally Responsible
Being compliant with the European RoHS directive and working with low power consumption during operation and power saving mode (<1W), the HYUNDAI IT Digital Signage is very energy efficient.

Multiple Video Input & Output
Providing an array of various professional input and output connectors [HDMI, DVI, RS232C, VGA], HYUNDAI IT Digital Signage can provide an easy, and flexible choice for connection to a full range of external A/V devices.
